ADX TRAX 3 SP

## 概要描述

---

自动对话分离软件。

## 描述

---

TRAX SP builds on the foundation of the award-winning software, ADX TRAX, to offer the first full-feature, automated speech separation software. In addition to its speech-specific features, TRAX SP includes all of the features of ADX TRAX. Separate, isolate and remove melodies, vocals, speech and dialogue from full mono or stereo mixes.
