AIEP3 SELECT

概要描述

AIEP3 Select is a collection of **twelve virtual instruments** and next level **sound-design tools** for the modern producer, composer and performer. Air Music Tech are the creators of the award-winning virtual instruments and core effects that come with Avid's Pro Tools software. This product brings you the world's most innovative virtual instruments to your favorite DAW. These twelve instruments, ranging from breathtaking emulations of vintage gear, classic instruments and unique synthesis technologies, enable you to tap into familiar sounds or create something no one has ever heard before. With the AIEP3 Select collection there's nothing you can't do!

Energize your music. [AIR Instrument Expansion Pack 3](#)
