Must-have Virtual Drummer Bundle

EastWest ProDrummer Volume 1 & 2 gives you two powerful virtual drummer plug-ins in one cost-saving bundle. Played by top drummers Matt Chamberlain and Steve Sidelnyk, respectively, these plug-in titles give you numerous sound-shaping options. Each drum sports its own channel with complete processing and routing. There are also ready-to-deploy drum kits pre-mixed by the experts. Take it from Sweetwater - EastWest ProDrummer Volume 1 & 2 is a must-have virtual drummer bundle.

ProDrummer Volume 1

EastWest ProDrummer Volume 1 stokes your drum arsenal with 40GB of killer drum kits and MIDI drum grooves played by Matt Chamberlain of Peter Gabriel, Springsteen, and Pearl Jam fame. Produced by Grammy-winning engineer/producer Joe Chiccarelli and EastWest's own Doug Rogers, ProDrummer Volume 1 was recorded in three different, great-sounding rooms with select equipment from Ludwig, Slingerland, Tama, Gretsch, Zildjian, and more, using top-quality mics and recording gear.

ProDrummer Volume 2

ProDrummer Volume 2 fortifies your drum arsenal with 60GB of killer drum kits and MIDI drum grooves played by Steve Sidelnyk of Madonna, Massive Attack, and Seal fame. Produced by Grammy-winning engineer/producer Mark "Spike" Stent and EastWest's own Doug Rogers, ProDrummer Volume 2 was recorded in five different, great-sounding rooms with select equipment from Ludwig, Slingerland, Gretsch, Yamaha, Orange County, Zildjian, and more, using top-quality mics and recording

equipment.
